## Annual Filing Due Date Calendar- August to November - 2024

(01<sup>st</sup> August 2024)

### SHORT SUMMARY:

In this editorial, the author shall discuss the due dates of ROC forms in relation to the Companies Act and LLP Act in the months of September, October, and November 2024.

These three months are very crucial from the point of view of corporations. In these months, Companies have to hold their Annual General Meetings, finalize their financial statements, and file the annual forms with Roc.

Every Company should complete the filing of forms with ROC on or before the due dates. These days, the Ministry is very strict about delays in filing the forms. Delay in filing any form can cause additional fees as well as a penalty or fine for the Company.

Note: In this editorial, we have taken the base AGM date as September 30, 2024.
